
Yury Pankevich - hand carved wooden icons.

Yury Pankevich was born in the city of Sambor, Lvov region, the Ukraine.
I graduated from Lvov National Art Academy in 1984; now live in Poltava, the Ukraine.
For many tears I have been decorating churches and making icons, stands and icon frames.
When working, I do my best to share what I feel and I can say that each work shares part of my heart.
I tend not to repeat my icons twice in the same way.
