
Korotkov Valentin

Valentine was born in Saransk,
graduated from Art College
named after F. Sychkov and Kharkov Academy of Design and Art,
department of painting.
He has been a member of Artists’ Union of Russia since 2005
and is considered one of the best Artists in Russia.

For Valentin, each of his works is something intimate,
hidden, and meant for each of the viewer,
when the soul speaks to soul , when the words are not necessary,
there is only involvement and areas of common interest.

Valentin is an optimistic Artist and feels the joy of being.
All his works reflect this.
Viewers have their own perception but,
nevertheless, each will find a sign meant only for him or her in Valentine’s works.

The creative life of an Artist is a line of reflections of his thoughts and feelings,
places where he painted, of reality, experience and desires.

Valentin is very demanding in his works,
he feels responsible to those who can see his works for his professionalism.
Because of all these, his works are popular and wanted among collectors
and lovers of realistic school in painting.

He is a constant participant of regional, Russian and international exhibitions;
his works are in private collections and museums in Russia and abroad.

He has been a member of Artists’ Union since 2005,
now he lives and works in Moscow.
