
Veronika Demurova - icons.

Veronika is an Artist who has a church blessing to paint icons.

She does not use synthetic paint and primer; instead,
she makes paint and primer herself from natural materials (minerals, oil, chalk, etc.).

To create one work is a time consuming process,
as the Master follows all the steps of traditional icon painting established throughout many centuries.

At customer’s request Veronika will create an icon of any size and saint in 1.52 months.
