

# Pavel Sennitsky - Fedoskino lacquer painting.

Pavel has lived in Moscow region all his life.
When he first saw a Fedoskino box,
he realized that this is the thing which one wants to admire, keep and study.
It seemed impossible to have been made by human’s hands - so perfect it was.
In 1979 he started studying Fedoskino technique painting.
When he found out that before 1917 Fedoskino artists painted icons as well as boxes,
he mastered this skill too.
