
Sergey Lim - paintings.

I was born in the USSR, in Tallin, Estonia;
Korean by origin;
in love with Russian art of 19th- early 20th century;
my favorite artist Arkhip Kuindzhi inspires me and the style of some of my works shows this.
  I took a course in painting, but I have been painting and learning by myself since childhood.
Five years ago I made painting my profession,
because of some circumstances, which allowed me to devote myself completely to the activity I like.

The paintings I make can be ordered,
any size convenient for shipping by postal service is possible.
Customers can order any sea scape.
Discounts available when ordering a few paintings.
