

# Oktyabr Denis

Denis was born in 1977 in the city of Novoaltaisk.
After finishing the school he graduated from Novoaltaisk State Art College.
He works in various genres, experiments with form,
color and materials in the field of the actual art.
Since 2001 he has been a member of Artist’s Union of Russia.

The Artist wants to abstract himself from the form
and through associative images to transfer feelings,
mood and thoughts.
He finds the most characteristic features in the reality
and generalizes it without completion which leaves some ambiguity.

His works are the result of his personal thoughts and experience,
dramatic or fortunate.
His images reflect two directions -
lyrical and analytical.
The distinctive features of his lyrical works are
the softness of palette,
vague sensations
and the aroma of the mood.
